Running Benefits

- ✓ Improved cardiovascular health
- ✓ Beneficial for slowing down the aging process
- ✓ Psychological benefits: most significantly runners typically report being happier and feeling less stressed
- ✓ Promote competitive nature with self and others
- ✓ Teamwork and bonding
- ✓ Develops self-discipline mentally and physically
- ✓ Run anywhere, anytime, any conditions

"A lot of people run a race to see who is fastest. I run to see who has the most guts, who can punish himself into an exhausting pace, and then at the end, punish himself even more. Nobody is going to win a 5,000 meter race after running an easy two miles. Not with me. If I lose forcing the pace all the way, well, at least I can live with myself."

--Steve Prefontaine
